Jonathan Williams

Dear Jonathan:

I can't thank you enough for taking the time to help fellow charter-enthusiasts get a better understanding of what running a charter is all about.

Senator Lubbers was really wowed by you, and the Chamber people were delighted you were there. I hope you'll call at some point and give me your take on the whole thing. As you may know, they did pass the bill out of committee, but they still have a long road ahead.

Again, many thanks. I hope I can repay the favor someday.

Best Regards,

Jeanne Allen
