

The Center for Education Reform Kentucky Stakeholder Survey - DRAFT

1. Are you aware of any organizations in Kentucky that serve as a resource on education issues? If so, what organizations?
2. Have any of these organizations reached out to you to provide you with information that has been useful to your decision-making?
3. How familiar would you say that you are with these organizations?
4. What specific information or resources did this organization provide?
5. If you were to seek assistance on an educational issue right now, what would you request?
6. Who would you consider to be the key K-12 education stakeholders in Kentucky?
7. What is the single greatest challenge facing education in Kentucky right now?
8. Are you familiar with KERA? Can you attribute KERA with any improvements or failures in public education?
9. To the best of your knowledge, how do parents make choices about their children's education in Kentucky?
10. Do you believe children should be assigned to one public school based on where they live or should parents in Kentucky be allowed to choose from a number of public schools?
11. Are you familiar with any education reforms available to other states that have not been adopted here in Kentucky? If so, please explain answer.
12. Kentucky is one of ten states that have yet to allow charter school options. Why do you think a charter school law has not been adopted in Kentucky?
